

Job Title: Sheet Metal and Roofing Foreman

Location: 466 Dawson Ave, Penticton BC V2A 3N7

Salary: \$25.00 - \$45.00 per hour (Depending on experience and qualifications)

Job Type: Full-time

About Us: We are a well-established, growing and reputable commercial/residential roofing company. Our dynamic company provides an exciting, fun, and fast-paced environment to work in, as well as competitive compensation and performance incentives. We are committed to excellence in every project we undertake, and our team is key to our success.

Essential Qualifications:

- Minimum of five (5) years of experience in a commercial/residential roofing company
- Basic computer knowledge
- Experience in running crews while meeting schedule and budget requirements.
- Demonstrated ability to effectively manage subcontractors, vendors, and employees.
- Knowledge of budgets, change orders, and job estimating.
- Commercial roofing experience with 2-ply and single-ply membranes
- Sheet metal siding and roofing experience
- Valid driver's license
- Red Seal Trades Certification preferred.
- Exceptional communication and professionalism.

Essential Responsibilities:

- Manage daily workflow of assigned projects to finish on schedule within budgeted labor hours.
- Ensure projects meet high-quality standards required by our company and industry regulations.
- Coordinate production material control function activities closely.

- Effectively manage work crew and liaise with the superintendent.
- Maintain excellent relationships with contractors and inspectors.
- Ensure strict adherence to safety standards at all times.
- Report directly to the Superintendent.

Additional Information:

- Equal employment opportunity company with a drug-free workplace
- Opportunity to be an integral part of the continued growth of our company.
- Assisted Apprenticeship programs.
- Incentive programs in place.

Join our team and contribute to the success of our company while advancing your career in the roofing industry. We look forward to welcoming new members to our Team who share our commitment to excellence.

To apply, please send your resume to Team@interiorroofing.com or stop in and say Hi.
